WATER MAIN REPLACEMENT
Roanoke Rd. to Troost Ave. & Missouri River to 51st St.

PUBLIC MEETING

Why: Water Main Replacement Project

When: Thursday, April 30, 6:30 p.m.

Where: Tony Aguirre Community Center Room A
2050 W. Pennway Terrace
Kansas City, MO 64108

April 2015 to November 2015
WHAT?
• Important infrastructure work will be performed in your neighborhood
• Water mains will be replaced and realigned throughout the project

WHY?
• Existing water mains have experienced numerous breaks, resulting in service interruptions and related construction and traffic inconveniences for customers

WHEN?
• Weather permitting, work will begin April 2015 and conclude November 2015

WHO?
• Blue Nile Contractors in partnership with KC Water Services

WHERE?
• Oak St. from Volker Blvd. to E. 51st St.
• 50th St. from Rockhill Rd. to Troost Ave.
• 31st St. from Roanoke Rd. to Terrace St.
• 20th St. from Madison Ave. to Broadway Blvd.
• Bellevue Ave., from 16th St. to the north
• Broadway Blvd., from 3rd St. to the north

IMPROVEMENTS?
• Fewer anticipated water main breaks
• Increased reliability
• Fewer service disruptions
• Enhanced neighborhood fire protection

WHAT TO EXPECT?
• Large equipment will be used, creating noise and dusty conditions, which will be controlled
• Curbs, driveways, affected streets will be replaced
• Sod will be installed during sodding season after work is completed
• Ordinary travel routes will be temporarily restricted
